

Clos Château d'Isenbourg Gewurztraminer "Les Terrasses" Vieilles Vignes A.O.C. Alsace

2020

VINIFICATION

We proceed to a low pressure pressing with whole grapes and a temperature controlled vinification... The maturing lasts about 4 months on fine lees followed by a filtration. The wine is then stored in stainless steel vats for a few months before bottling.

DÉGUSTATION

Color : Brillant deep golden robe.
Aromas : Discreet pineapple notes, mango, apricot jam, white flowers, mild spices, cinnamon-vanilla, and white pepper.
Palate : Fairy complex and long, underscored by fruity flavors.
